**Sixty Minutes for Sixty Days  
in the Word of God!**

**October - November, 2010**

**Cornerstone Evangelical Presbyterian Church**

Welcome and thank you for joining us in this exciting challenge! The ***Sixty for Sixty*** Project will include nearly two hundred chapters of the Bible. Why call it ***Sixty for Sixty***? Because the readings are calculated to take about an hour a day allowing for twenty to thirty minutes of reflection and meditation.

Each day will include three separate passages from the Bible. Pray before you begin reading and ask the Holy Spirit for direct and meaningful insights to apply to your own Christian life. After reading the passages, choose one that stands out most to you and work thru the four questions. If time allows, re-read or reflect upon another portion for that day.

You may find it helpful to read from a "user-friendly" study Bible that will help you gain new insights. Good examples would be the *Life Application Bible* or the *NIV Study Bible* or the *ESV Study Bible*.

Each day's readings will be followed by four basic questions:

1. What does this portion of God's Word tell me about God? His nature? His ways? His expectations of mankind? Of me?
2. What does this portion tell me about mankind? His/her condition? Needs? Nature?
3. What does this portion tell me about myself? How far along am I on the Christian journey? What insights might the Holy Spirit be giving to me?
4. What shall I "do" with these insights? How can I apply them?

If you fall behind, simply press on with the next day's readings. Do not skip any days! Circumstances may arise that require you to take a few extra days to complete your commitment. That will be fine. At the same time, a consistent time-of-the-day and daily commitment to this project will enhance your growth in the Lord and your experience. We're convinced that the Holy Spirit of God will eagerly spend these sixty hours with you. The goal? To know God better thru the study of His Word! A sample page follows that you may find helpful. And again, thank you for joining us on this radical journey! I'll be in touch. Blessings! Pastor Alberta ☺

## Day 29

**Today's Passages:**       **Isaiah 53**  
                                      **John 3**  
                                      **Ephesians 1**

**My Focus:** \_\_\_*Ephesians 1*

1.     What does this portion of God's Word tell me about God? His nature? His ways? His expectations of mankind? Of me?
2.     What does this portion tell me about mankind? His/her condition? Needs? Nature?
3.     What does this portion tell me about myself? How far along am I on the Christian journey? What do I learn about myself from reading this?
4.     What shall I "do" with these insights? How can I apply them?

### My Responses

1.     *ABOUT GOD: Eph. 1 tells me that God wants to bless...especially those He has chosen! What a thought! That He wants me to know him better [v. 18] and that he is willing to use His great resurrection power in me? Can that be?*
2.     *ABOUT MAN: Mankind is really lost. Really! He is lost without God's personal intervention. He or she will never respond on their own. Actually man is unable to know God on his own....Eph. 1 says knowing God comes from 'His pleasure and will...' [v5]. Amazing.*
3.     *ABOUT MYSELF: Hmmm.....Probably that I have never realized God's grace towards me. I've always sort of thought we got me saved together [God and me.] I need a lot more insight into this. I guess it tells me about an amazing pride in myself and all other sinners are this way as well!*
4.     *WHAT SHALL I DO: Pray about the above? Pray for understanding. Ask God to show me more and help me understand my helplessness? As Paul...or Peter?...said "He began a good work in me...." Saving my soul was His work! Look this up...*
